HARTUNG.—Samuel Hartung died March 13, 1898, in Mansfield, was born near Tamaqua, Schuylkill Co., Pa., Jan. 17, 1866, leaving him at the age of 32 years 1 month and 24 days at time of death. He leaves a wife and one child, a boy 4 years old, and three sisters, a mother, two brothers, and a grandmother. He was a son-in-law of brother Joseph and sister Elizabeth Schmucker of Mansfield. He was sick 8 months and 8 days. On the 5 of July he had a stroke of apoplexy with partly losing the use of his right side and badly affecting his mind; his second stroke was on Oct. 11, rendered him speechless from that time till death came to his relief. He bore his sickness with patience; he was reconciled to go to his rest where sickness and sorrow will be no more.

A precious one from us is gone,
A voice we loved is stilled;
A place is vacant in our home,
Which never can be filled.

God knows the time he sets apart,
When we must say farewell;
With tearful eyes and aching hearts,
To those we loved so well.

Yet again we hope to meet them,
When the days of life are fled,
And in heaven with joy to greet thee,
Where no farewell tears are shed.

JOSEPH SCHMUCKER.

ZOOK—Sister Aldie Zook, formerly Kent, was born in Appanoose Co., Sep. 15, 1868, and spent most of her life in Centerville, Iowa, except three years spent in Colorado in search of health from June 1894. She was left an orphan at the early age of eleven years. From the death of her parents she met the battles of life alone until Sep. 15, 1889, when she was united in marriage with D. D. Zook, son of Elder Joseph Zook. But poor Aldie it was not her lot to enjoy much of the pleasures of this life being a victim of a dreaded disease, her suffering reaching over years of time. But bless the Holy Name she had the anchor within. She united with the Brethren church in 1891, proving faithful to her Master, patiently bearing her afflictions until death claimed his own, and when asked of her hope she said, "It is

well with my soul." After calling the Elders and being anointed she said, "I am ready when he calls me," and at two o'clock in the morning March 26, the summons came, and she passed away at the early age of 29 years 6 months and 26 days leaving a husband and little daughter to mourn their loss.

Funeral services were held in the Fair View church by the writer, assisted by Bro. Augdon of the German Baptists.

DEAFNESS CANNOT BE CURED

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.
